warranty, express or implied and HEIGHTSWORK. Liability shall be limited to the acts and omissions of its employees, agents, and subcontractors. Under no circumstances shall HEIGHTSWORK be liable for any injury or damage to any person or property occurring by reason of negligent operation, misuse, of or any defect in materials, machinery, equipment, or other items other than by defects in items actually inspected by HEIGHTSWORK and ascertainable by normally accepted testing standards, or defects reflected in documents reviewed by HEIGHTSWORK and which are covered by this certificate or report.

The certificate or report and the recommendations contained in it are based upon the conditions and practices observed and information made available to HEIGHTSWORK personnel. The report does not purport to list all hazards or faulty conditions not to indicate that other hazards or faulty conditions exist. Severity ratings in the report are based on the criteria shown in this report and are intended as guidelines only. No responsibility is extended to the control of conditions.
